

100 teachers to undergo surgery

BANGALORE, DHNS: Hundred school teachers from all over Karnataka, who are suffering from arthritis and other knee-related problems, will be undergoing free surgery at the Sparsh Hospital, as part of week-long Guru Namana- a tribute to our teachers.

Inaugurating the event, Infosys Foundation chairperson Sudha Murty said successful students should look back and help their teachers who are in difficulty. "Addressing health problems through free surgery is a unique gesture. These school teachers have been neglected for years after their retirement. It is high time they are relieved of their pain and miseries," she said.

The teachers, selected for joint replacement surgeries expressed their gratitude on the occasion. Many teachers silent-

ly endured the pain for several years as they could not afford the expensive treatment.

These teachers will now be operated by 14 renowned joint replacement surgeons from Germany, London, Birmingham

and Manchester. Well known joint replacement surgeons from Delhi, Mumbai, Pune, Hyderabad, Chennai and Cochin will also join the team of doctors shortly.
